

Heritage Crafts - Training bursary for fashion textiles crafts application questions, 2024

For reference only

Training bursaries

Apply for up to £4,000 to start training in a heritage craft or to further develop your skills, supported by Heritage Crafts and the Costume Society.

You could be just starting out on your journey in fashion textile crafts or at the point where you want to turn a hobby into a career, or you could already be a maker who is looking to further refine your skills.

Applicants can apply for a grant for any amount up to £4,000 which can cover or contribute towards:

- the costs of training with a craftsperson;
- the costs of attending a specialist training course;
- the costs of attending an accredited training course;
- undertaking a self-directed programme of training with one or more craftspeople;
- the cost of specialist tools or materials, books or study materials or low cost travel (no more than 25% of total budget).

The bursary cannot be used for general living expenses, research, promotional activities or anything else.

Successful applicants will be supported by the Heritage Crafts team. We will work with to you monitor progress and support you to achieve your aims.

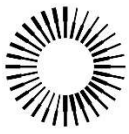

Fashion textile crafts can include, but are not limited to, dressmaking, tailoring, pattern cutting, hat making, millinery, glovemaking, fabric pleating, corset making, and so on. Applications for training that prioritises the acquisition of practical hand skills will be favoured over training that is predominantly theoretical or design-oriented. If you have any questions about eligibility please get in touch with Tess Osman at tess@heritagecrafts.org.uk.

Please apply by filling out the form below. We will also accept a video application of no more than 15 minutes in length in which you address all of the questions in the form below.

The deadline for applications is 5pm on Friday 23 February 2024. If you have any questions or need assistance with the application process, please email Tess Osman at tess@heritagecrafts.org.uk.

If you are new to a craft and you would like assistance with finding a trainer, please get in touch and we will do what we can to help.
